

OPEN HOUSE OFFICIAL PLAN

August 23rd, 2022 from 6:30 to 8:00 p.m.

**HILTON BEACH COMMUNITY HALL
3050 Hilton Road, Hilton Beach, ON.**

St. Joseph Island Planning Board and Fotenn Planning + Design have prepared a new Official Plan for St. Joseph Island.

The next step, as required under the Planning Act, is for the Village of Hilton Beach to hold an Open House to allow residents to review and ask questions on the draft Official Plan.

An Official Plan describes how land in your community should be used. It is being prepared with input from residents and will help to ensure that future planning and development will meet the specific needs of your community.

All landowners and residents of the Village of Hilton Beach are invited to attend this Open House to make comment on the Official Plan before it is adopted by Council.

To view the Official Plan document and Land Use Schedules prior to the Open House, please visit the Village of Hilton Beach Municipal Office or the Township website:
